Credit Information

Secondary Level Credit Requirements

The Saskatchewan Ministry of Education requires a minimum of 24 credits for graduation, at least 5 of which will be 30 level credits. Credit counts begin at the grade 10 level.

Compulsory courses are:

Grade 10 · English A10, English B10, Social Studies 10, Native Studies 10 or History 10, Workplace 10 or Foundations Math 10, and Science 10.

Grade 11 · English 20, one 20 level Math, one 20 level Science, and one 20 or 30 level Social Science.

Grade 12 · English A30, English B30, History 30/Native Studies 30/Social Studies 30.

The Saskatchewan Ministry of Education also requires students to acquire:

- at least two (2) credits from the Fine Arts / Practical & Applied Arts areas at the 10, 20, or 30 level.
- a Wellness or Physical Education credit at the 10, 20, or 30 level is required. Wellness 10 is the recommended credit.

Modified credits are not accepted for university entrance and may limit Saskatchewan Polytechnic entrance. Students may choose to take a modified course and then move back into a regular credit class (ex: Math 11 to Workplace or Foundations Math 20 with the principal's commission).

Any class with the letter 'L' (a locally developed course) CANNOT be counted as a core requirement for graduation. It can, however, be included in the general credit count.

*** Class requires or recommends a pre-requisite
Fee required

All elective classes are dependent upon adequate enrollment and facility space.
